Docket No. 2005- 123-C - Application of DialTone & More, Inc. for a Certificate of Public Convenience and Necessity to Provide Intrastate Resold Telecommunications Services

Mr. Terreni:

The Office of Regulatory Staff (ORS) reviewed the referenced Application as well as the Testimony of Kimberly M. Smith supporting the Application. During our Application review, ORS found and recommended several modifications to the company's proposed tariff to make it compliant with the Commission's Orders, and Rules and Regulations governing telecommunications utilities.

Since the Company has agreed to make our recommended changes, the ORS has no objection to the company's request for expedited review and has no basis to oppose the approval of this Application.

Sincerely

James M. McDaniel
